## **PROFICIENT ARTICLES IDENTIFICATION GAME**

<b>DATE:</b>	<b>TESTER'S NAME:</b>
--------------	-----------------------

**TIMES ALLOWED: 4 minutes**

**LEASH REQUIREMENTS** - Articles may be offered on or off leash.

The dog shall search through three identical wooden items, three identical metal items and three identical leather items. One item from each category will be scented with the handler's scent. Only handler scent may be used in this game. The handler shall apply their scent by rubbing their hands on the articles.

The dog must identify and the handler indicate the correct articles.

### **SET UP**

The items shall be placed approximately 6 feet (180 cm) apart in the pattern shown below. The start line will be indicated a minimum of 10 feet (300cm) from the articles.

CLOTHESLINE GAME**

DATE:	TESTER'S NAME:
-------	----------------

**TIMES ALLOWED: 4 minutes**

**LEASH REQUIREMENTS** - Clothesline may be offered on or off leash.

The dog shall search an area with five racks with a variety of clothes. Two scents will be hidden among the clothes in different locations.

The dog must identify and the handler indicate the correct scent locations.

**SET UP**

The search area will be 400-600 square feet (1210-1820cm). The search area will contain five racks. The racks will be approximately 6 feet (180 cm) apart. Each will have a variety of clothing hanging from it (as might be on a clothesline). Clothes should hang at a height participating dogs can reach easily with their nose. Scent will be hidden among the clothes in two locations. The two scents shall be different.
